THE AUCTION PLATFORM FOR DAMAGED VEHICLES

BUYING DAMAGED VEHICLES ONLINE

- ✓ You have access to more than **1000** new **accident damaged vehicles every day**
- ✓ We help you to open up the **largest vehicle market in Europe** – Germany
- ✓ Simple search and filter functions immediately find **interesting vehicles** for you
- ✓ Our International Buyer Service (IBS) **supports buying and collection**
- ✓ You avoid misunderstandings with our **international contact partners**

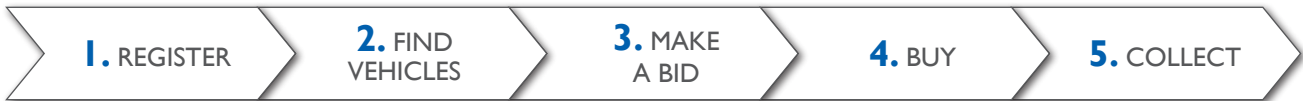

■ THE WOM AUCTION PLATFORM

WOM GmbH is one of the largest Internet auction platforms for accident damaged vehicles in Europe and since 2012, the company has been part of Copart – a world leader in vehicle marketing. More than 1000 new accident damaged vehicles are entered into WOM platform every day.

■ IT'S THAT SIMPLE!

Find out about the WOM Auction Platform yourself – simply register and join in the bidding! The information sheet gives you a first impression.

■ ONLY INTERESTING VEHICLES

Set your personal filter to vehicle details and regions and receive a daily newsletter on request with the vehicles matching your filter. From now on you won't miss any vehicles that might be of interest to you!

■ INTERNATIONAL BUYER SERVICE (IBS)

With each purchase, our IBS-Team supports you with completely processing the sale.

- ✓ Communication with insurance company & vehicle owner
- ✓ Exchange of contact and location data
- ✓ Clearing and processing for financed/leased vehicles
- ✓ Assistance during the (transaction) conclusion of a contract
- ✓ Organising the pick-up of your car
- ✓ Contract template/power of attorney for voiding of vehicle title document

■ CONTACT

In the event that you have any questions our Service-Team is naturally at your disposal by following contact details.
